REACH Declaration

The European REACH Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) entered into force on June 1, 2007, and affects all companies producing, importing, using, or placing products on the European market. The aim of the REACH regulation is to ensure a high level of protection of human health and the environment from chemical substances.

Compliance

Herewith, we inform you of our conformity according to EC regulation 1907/2006 (REACH), article 33. Nord Electronics Solutions Sp. Z o.o. is in terms of mentioned above regulation "downstream user" as product manufacturer using low quantities and therefore not subject to registration.

Nord Electronics Solutions Sp. Z o.o. delivers exclusively non-chemical products. These contain no substances intended to be released according to REACH article 7(1) in normal or reasonably predictable conditions of use. Information about ingredients is based on statements of Nord Electronics Solutions Sp. Z o.o. suppliers.

Accordingly none of our products contain at today's level of awareness any of the substances published in the candidate list (article 95(1), issue December 20th, 2018) by the European Chemicals Agency (ECHA) in a concentration of more than 0.1 mass percent (SVHC).

Sincerely,
Michał Łuckiewicz
